**DECISION AND ENTRY**

---

---

This matter came before the Court for hearing on September 25, 2018 before United States Magistrate Judge Sharon L. Ovington, who thereafter issued a Report and Recommendations. (Doc. #21). Having conducted a full colloquy with Defendant, the Magistrate Judge concluded that his plea of guilty is knowing, intelligent, and voluntary, and that there is an adequate factual basis for a finding him guilty as charged in the Indictment pending against him in this case.

The Court, noting that no Objections to the Report and Recommendations have been filed and that the time for filing Objections has expired, hereby ADOPTS in full said Report and Recommendations.

Therefore, based on the aforesaid, and this Court's *de novo* review of the record and the findings by the United States Magistrate Judge, this Court adopts the findings and recommendations of the United State Magistrate Judge, and finds that Defendant's guilty

plea was knowing, voluntary, and intelligent. Final acceptance of Defendant's guilty plea is deferred pending review of the pre-sentence investigation report.
